Product Description

Automatic Movement Manual Wristwatch Crafted With Sapphire Crystal

Product Description:

The new Manual Wristwatch is a hand-operated watch that combines classic style with modern design. The dial color is white, and the case is made of stainless steel for a sleek and stylish look. The black strap is made from a soft and comfortable material for long-term wear. With the 50m water resistance, you can be sure that your watch will stay in excellent condition regardless of the weather. The mechanical movement is automatic, allowing for precise timekeeping and accuracy with every tick. Whether you're looking for a timeless accessory or a reliable timepiece, this Manual Handwatch is the perfect choice.
